TRUSTEES

SECTION 1 NUMBER OF TRUSTEES

3.1.1 Subject to the provisions of the Indemnity Agreement, the By-Laws and applicable law, all corporate powers shall be vested in, and the business and affairs of the Fund shall be managed by, a Board of Trustees consisting of one person from among the

Participants of the Local Home Builders Associations in the State of Louisiana presently affiliated with the Louisiana Home Builders Association and listed in Section 3.4.3 of these By-Laws as well as one representative from the Louisiana Home Builders Association.

SECTION 2 QUALIFICATIONS OF SIF TRUSTEES

3.2.1 In order to serve as an SIF Trustee, a person must be a Participant in the Fund or a person (a)(1) who is the owner of at least a fifty (50%) percent interest in a business which is a participant in the Fund, or (2) who has involvement in a business which is a Participant in the Fund to such a degree that a majority of the Trustees deems such involvement to be the substantial equivalent of the ownership required by the foregoing clause, and (b) whose business, activities, vocation or livelihood does not present a conflict of interest with the goals and objectives of the Fund.

SECTION 3 ELECTION OF SIF TRUSTEES

3.3.1 To the extent that the same may be necessary or appropriate under prevailing law or custom, the authority of all persons currently serving in the position of Trustee of the Fund and who represent a Local Home Builders Association is hereby recognized and confirmed, subject, however, to the terms of office hereinafter set forth.

3.3.2 Each succeeding SIF Trustee shall be selected in the following manner:

(a) The Chairman of the Board of Trustees shall, at least two hundred twenty (220) days before the end of the term of office of a given SIF Trustee, appoint a nominating committee for each local area that will have an expiring trustee term, to nominate candidates for the position of SIF Trustee to represent the participants who are members of the Local Home Builders Association then represented by the SIF Trustee

whose term of office is expiring at the end of the calendar year. The nominating committee for each area shall consist of one (1) Trustee other than the SIF Trustee representing the Participants in the applicable Local Home Builders Association whose term is ending, and two Participants in the Fund from among the Participants belonging to the Local Home Builders Association and who do not serve as Trustees of the Fund. The nominating committee shall receive expressions of interest in the position of Trustee, shall investigate any applicants therefor to determine their qualifications and fitness to serve in such position, shall solicit qualified persons having an interest in serving as Trustee from among the Participants of the Fund who are also members of the applicable Local Home Builders Association and, at least one hundred fifty (150) days before the end of the term of office of the applicable Trustee, report to the Board of Trustees an appropriate slate of candidates for the trusteeship to be vacated upon expiration of its term as set forth hereafter.

(b) The slate of candidates proposed by the Nominating Committee shall be submitted for election to and by the Participants who are members of the applicable Local Home Builders Association. However, if only a single candidate is proposed by the Nominating Committee, then the Board of Trustees shall certify the candidate as the Trustee for the applicable Local Home Builders Association(s), and no election by written ballot shall be required. The SIF Administrator shall distribute by mail a written ballot to all Participants who are members of the applicable Local Home Builders Association within fifteen days (15) after receiving the slate of candidates from the Nominating Committee.

Each candidate is allowed to submit a single sheet of 8 1/2 x 11" paper on which is printed factual and accurate information regarding the background and

qualifications which any submitting candidate certifies to be an accurate statement of the candidate's resume'. This single sheet of information will be reviewed by the Administrator and the fund's General Counsel to be certain it complies with the letter and spirit of these rules. This information must be supplied and certified as accurate no later than seven days before the ballots are mailed to be considered for mailing. Any information not compliance with these rules, in the unfettered discretion of the Administrator, will not be mailed with the ballots.

(c) Each Participant is entitled to vote but may only vote once. In the case of legal entities such as corporations or partnerships which may be a Participant, any officer or partner thereof, as the case may be, certifying his position or authority on the ballot materials, may vote on behalf of the Participant. The Participants will have 15 days from date of mail out of ballots to return their executed ballots.

(d) The candidate receiving a majority of the ballots cast shall be elected Trustee. In the event that no candidate receives a majority of the votes cast, all candidates except the two (2) candidates receiving the highest number of votes shall be eliminated from further consideration. Thereafter, a subsequent ballot consisting only of the two remaining candidates shall be submitted by mail to the Participants who are also members of the applicable Local Home Builders Association. Voting shall be accomplished in the same manner and shall be subject to the same restrictions as provided herein in the case of an initial ballot. The candidate receiving the majority of the votes cast shall be deemed elected Trustee to represent the applicable Local Home Builders Association(s).
