

Workers' Comp for Hard Workers

What to send in to complete your Homebuilders SIF Audit if you had no activity/labor

IF there was no labor paid during the period, please provide **one** of the following in order to complete your audit:

- Profit and Loss Statement from accounting software
- General Ledger
- Check Register
- Bank Statements **with** Copies of Cancelled Checks

Even if you have had no activity or labor during the coverage period, we need documentation to confirm there has been no labor.
